Proposed Ground Rules
2018-19

In keeping with its belief that established ground rules assist the cooperative and productive progress of negotiations, CEA proposes the following:

1. The parties will schedule bargaining sessions on a regular basis as long as good-faith negotiations are continuing.
2. The District will pay the cost of substitute teachers during negotiations.
3. During the first meeting, arrangements for locations of future sessions will mutually be agreed upon by the Canyons Education Association and Canyons School District.
4. When the District and CEA reach consensus on issues, they shall be written and signed by both parties as tentative agreements.
5. All agreements, if any, reached during negotiations shall be considered tentative until final agreement has been reached on the entire package. Tentative agreements will be signed and dated.

6. The complete negotiations package must be ratified by the CEA membership and formally approved by the Board of Education in order to be considered a final agreement. The provisions of such agreements shall not be released to the public until they have been so ratified, at which time a joint release of information will be prepared.

7. CEA and the Board of Education will regularly communicate with their membership regarding the negotiations process. Any public release of information during negotiations will be done jointly.

8. All efforts will be made to bargain in good faith. However, if impasse is declared, a joint public release of information is no longer required and the procedures outlined in Canyons District Policy 410.0/420.0 Scope of Negotiations shall be followed.

9. Minutes will be taken by either or both parties. However, minutes are working notes for the teams' purposes only and not an official record of negotiations sessions.

10. Negotiated agreements will be posted online within ten (10) working days of the ratification of the Board of Education.

Proposal

CEA proposes all licensed educators move to the next increment level on the salary schedule, an increase of $900.

Rationale

The salary schedule is an implied contract wherein employees understand they will move an increment level each year in Canyons District. Honoring the integrity of the salary schedule will allow Canyons District to attract and retain teachers.

Counter Proposal
For the 2018-19 school year, Canyons District Administration proposes a COLA of 2.50%, calculated on the mid-point of the Licensed Salary Schedule (Increment Level 20), i.e. $1,335 per Increment Level on the Licensed Salary Schedule-L188.

Rationale
Canyons School District continues to improve in its ability to recruit and retain teachers. This increase will provide needed supports to those efforts.

**Salary Placement**

To determine an educator's initial salary placement:
- Identify the educator's "Education Enhancement" Increment Level
- Add previous contracted licensed work experience from an accredited school system, up to fifteen years, each year equating to an Increment Level
  - Two half years, with at least one of the years being a minimum of 92 days, will be added together to equal one year/Increment Level
  - Educator’s experience in Canyons District receives full credit
  - Educators who have retired with the Utah Retirement System (URS) may receive up to fifteen (15) Increment Levels for experience

**Education Enhancement**

To determine the educator's "Education Enhancement" Increment Level:
- Identify the educator's degree attainment from an accredited university
  - Bachelor’s Degree: n/a
  - Bachelor’s Degree + 20 semester hours: +1 Increment Level
  - Bachelor’s Degree + 40 semester hours: +1 Increment Level
  - Bachelor’s Degree + 60 semester hours: +1 Increment Level
  - Master’s Degree (Total of 6 Increment Levels): +3 Increment Levels
  - Master’s Degree + 20 semester hours: +1 Increment Level
  - Master’s Degree + 40 semester hours: +1 Increment Level
  - Master’s Degree + 60 semester hours: +1 Increment Level
  - Doctorate Degree (Total of 12 Increment Levels): +3 Increment Levels

*Example: A newly hired educator with a Master’s Degree +20 semester hours and four years of experience would be placed on Increment Level eleven (11), contingent upon verification of education and experience.*

**Salary Schedule Information**

- Cost of Living Adjustment (COLA) is calculated on the mid-point of the salary schedule, Increment Level 20. The dollar difference between Increment Levels will remain $900
- A minimum of a Bachelor’s Degree +20 semester hours is required for educators to advance beyond Increment Level 20
- An Educator Salary Adjustment (ESA) of $4,200 is included as part of the Base Contract and is dependent upon continued legislative funding
- The Base Contract is prorated based upon the number of days remaining in the contract
- Educators with current National Board Certification will be paid a stipend of $1,000 in addition to their Base Contract

Licensed full-time benefit eligible employees, employed as of October 15, 2018, will receive a one-time $500 bonus on their November 15, 2018, check.

Licensed employees with a continuous service date prior to July 1, 1998, will receive a one-time $500 bonus on their November 15, 2018, check.

Revised 2018.05.01
Proposal

CEA proposes that all licensed employees receive a $500 one-time bonus on Nov 15, 2018, based on the number of years at Canyons School District as of Oct 15th, 2018.

Rationale

Recognizing teachers who have taught in Canyons shows them appreciation for the loyalty and expertise they provide. This one-time bonus can be paid for with one-time money from the fund balance.

Proposal

CEA proposes that Canyons School District attempt to maintain the current insurance benefits within our district plans, as much as is possible. CEA proposes that both a traditional and high-deductible insurance plan be maintained. CEA proposes that premium increases be kept to a minimum to maintain a loss ratio just under 100%. CSD should investigate having a tiered premium where families with more dependents pay a higher rate.

For the 2019 insurance year, CEA supports the recommendation of the Insurance Advisory Committee to increase premium rates on the traditional plans by 3% with no premium increases on the high-deductible plans.

Rationale

The CEA survey of members expressed the above positions. Members want to protect benefits the most. Members prefer having options of both traditional and high-deductible plans and are not likely to move off the plan they are currently on. CSD should remain fiscally solvent with premiums matching claims plus a small fund balance to meet unexpected needs. Members were open to having a tiered rate for people with a high number of dependents.

District Proposal

Upon an employee's retirement through the Utah Retirement System (URS) and based solely upon sick days accrued by the employee while employed by Canyons School District on or after July 1, 2009, the District will pay $100 per day for 25% of the employee's accrued, but unused sick leave.

Rationale

Retirement benefits are a positive way to reward educator loyalty and longevity, facilitate retirement (occasionally), and to encourage educators to be judicious in their use of sick days, which can help lessen the need for substitutes on certain days.

Proposal
Canyons District Administration and Canyons Education Association propose, beginning the 2018-2019 school year, a $3,000 yearly stipend to the following special education cluster classroom teachers (total of 61 teachers):

- This includes ABS, ACC, ECC, Jordan Valley and DK
- This excludes resource, CTA and preschool programs

- The stipend would be provided for:
  - Safety care initial certification (2 days) and recertification (1 day) yearly, which would occur prior to the beginning of the teacher contract.
    - Teachers needing only to recertify, will receive supplementary professional development for day 2.
  - Additional days for supplementary professional development, planning, supervising para educator training, etc. (up to 2 additional days throughout the year).

Counter Proposal
Beginning the 2018-19 school year, Canyons District Administration proposes a stipend of $500 for elementary Dual Language Immersion (DLI) Heritage teachers.

Rationale
Elementary DLI teachers traditionally have twice the number of students as other elementary teachers. This stipend, similar to the Dual Session Kindergarten Teacher stipend, compensates for additional time in analyzing and interpreting student data as well as additional time needed to prepare for SEPs and report cards.

POLICY—410.4—EMPLOYEE LEAVE (LICENSED)

BOARD POLICY

1. It is the policy of the Board of Education to authorize the following leave benefits for licensed employees:
   1.1. alternative leave;
   1.2. bereavement leave;
   1.3. educational leave;
   1.4. personal leave paid;
   1.5. personal leave non-paid;
   1.6. sick leave; and
   1.7. employee-funded sick bank.

2. The Board authorizes the Superintendent and District Administration to establish administrative regulations consistent with this policy.

POLICY 410.4—EMPLOYEE LEAVE (LICENSED)

ADMINISTRATIVE REGULATION—410.4-1: (Alternative Leave)

Eligible licensed employees shall receive an alternative leave day each year.

Alternative leave shall be administered according to the following regulations:

2. Employees taking alternative leave shall be required to pay the cost of a long-term substitute.
3. Alternative leave is non-accumulative.
4. Employees shall give at least one day's notice of the intent to take alternative leave.
5. Alternative leave may not be used during parent/teacher conferences, on a contract day prior to the first day of school, or during the first five (5) or last five (5) days of the school year.
6. Alternative leave may not be used the day before or after a personal leave day is taken.
ADMINISTRATIVE REGULATION—410.4-2: (Bereavement Leave)

Employees who qualify for paid leave benefits receive released time with pay for bereavement in the case of the death of a family member.

1. Employees who qualified for paid leave benefits shall be granted, for funeral and related issues, up to eight (8) days absence without pay deduction in the event of the death of a spouse, parent/step-parent, or child and any other child who is being or was parented by the employee and resides or resided in the home for funeral and related issues.

2. Employees shall be granted, for funeral and related issues, up to three (3) consecutive days of absence without pay deduction in the event of the death of the employee’s spouse’s parent/step-parents or the employee’s or spouse’s grandchild, brother, sister, grandfather, grandmother, brother-in-law, sister-in-law, son-in-law, daughter-in-law, aunt, uncle, niece, nephew, or other person residing in the employee’s home.

3. A maximum of two (2) additional days may be granted if travel time is needed. Travel must be in excess of 350 miles (one way) to qualify for additional days. An immediate supervisor shall request travel verification information from an employee.

4. If the death of an employee’s parent/step-parent results in the loss of the only remaining parent, up to three additional (3) days may be taken to deal attend to with estate issues. The additional days must be taken within one (1) calendar year of the parent’s death.

5. Bereavement Leave is provided only for the death of individuals listed under items 1. and 2. Employees who need to miss work because of the death of an individual not covered in this policy should refer to the other leave provisions of this policy.

ADMINISTRATIVE REGULATION—410.4-3: (Educational Leave)

1. Educational leave for full-time continued study may be granted to employees who have served for three (3) consecutive years and upon recommendation of the employee’s professional development committee (i.e., the Licensed Local Professional Improvement Committee [LPIC]; ESP Support Development Committee).
2. An application for educational leave shall be filed with the Human Resources Department for forwarding to the professional development committee by February 1 of the school year. A detailed outline of studies must be submitted with the application indicating a direct and identifiable benefit to the District. This outline must show the candidate will be engaged in a full-time academic or training program.

3. The professional development committee will obtain a written evaluation of the applicant from his/her immediate supervisor.

4. The employee’s professional development committee shall screen applications and forward recommendations to the Department of Human Resources for approval.

5. Each request for education leave shall be reviewed as an individual matter. Educational leave is based on needs and circumstances of the District and not solely on the merits of an applicant. For this reason, individual requests for educational leave may or may not create a precedent or standard for other requests. As a result, a grant or denial for a leave of absence is not cause for filing a formal or informal grievance.

6. There shall be no remuneration for this leave.

7. Educational leave shall be granted for the ensuing contract year and shall not extend beyond two contract years.

8. Employees on educational leave must submit a progress report to their professional development committee by February 15 of the year for which the leave is granted.

8.1. The report is to include the date the employee intends to return to full-time status and/or a request for a one-year extension if needed. Following review by the professional development committee, the report will be forwarded to the Human Resources Department.

9. When an educational leave is successfully completed, a copy of the outline of studies and a transcript of credit or equivalent and a report will be submitted to the professional development committee for review.

10. An employee returning from approved educational leave shall be advanced on the salary schedule in the same manner as full-time employees.

11. The employee may arrange with the insurance carrier to continue his/her insurance program. The employee shall pay for the full premium.

12. The granting of educational leave shall not compel the employee to return to the District.

13. This leave is void if the employee does not complete the approved course of study as approved. It is the responsibility of the employee to submit evidence of successful completion of his/her approved program by June 30. A candidate shall be guaranteed a comparable position in the District upon his/her return from an educational leave.

ADMINISTRATIVE REGULATION—410.4-3: (Educational Leave)
1. Definition: Educational leave is full-time study in a Licensed Professional Improvement Committee (LPIC) approved education program.
   1.1. Educational leave shall be granted for the ensuing contract year and shall not extend beyond two contract years.
   1.2. There shall be no compensation for this leave.
   1.3. The employee may arrange to continue his/her insurance program through the District. The employee shall pay for the full premium.
   1.4. The granting of educational leave shall not compel the employee to return to the District.

2. Qualifications: Educational leave may be granted to full-time employees who have been employed by the Canyons School District for a minimum of three (3) consecutive years.

3. Application and Approval: An application for educational leave shall be filed with the Human Resources Department by February 1 for the following school year. Applicants will be notified of approval or denial by March 1.
   3.1. A detailed outline of studies must be submitted with the application indicating a direct and identifiable benefit to the District. This outline must show the candidate will be engaged in a full-time academic or training program.
   3.2. The application must contain a written recommendation from the applicant’s immediate supervisor.
   3.3. Each request for educational leave shall be reviewed on an individual basis. Educational leave is based on needs and circumstances of the District and not solely on the merits of an applicant. For this reason, individual requests for educational leave may or may not create a precedent or standard for other requests. As a result, an approval or denial for educational leave is not cause for filing a formal or informal grievance.

4. Progress Report: Employees on educational leave must submit a progress report to the LPIC by February 15 of the year for which the leave is granted.
   4.1. The progress report is to include the date the employee intends to return to full-time status and/or a request for a one-year extension if needed. Following review by the LPIC, the report will be forwarded to the Human Resources Department for staffing purposes.

5. Evidence of Completion: It is the responsibility of the employee to submit evidence of successful completion of his/her approved program to LPIC by August 1. Evidence may include: transcripts, outlines of studies, reports, etc.

6. Return to Employment: A candidate returning from successful completion of educational leave shall be guaranteed a comparable position in the District for which they are qualified.
   6.1. The employee shall advance on the salary schedule in the same manner as full-time employees based on the current negotiated agreement.
   6.2. The employee’s leave accrued prior to educational leave shall be reinstated upon return.
   6.3. Educational leave shall not be considered a break in continuous service.
7. Extenuating Circumstances: An employee may return to employment as indicated in Return to Employment, Section 6 above, if the employee is unable to successfully complete the approved educational leave program for the following extenuating circumstances:
- 7.1. maternity or adoption of a child;
- 7.2. military service;
- 7.3. illness;
- 7.4. or other reason deemed appropriate by the LPIC.

8. Employment Separation: An employee who does not complete the approved educational leave, with the exception of Extenuating Circumstances as listed in Section 7, shall be deemed to have abandoned their position and voluntarily resigned from the District. The individual may reapply for open positions.

ADMINISTRATIVE REGULATION—410.4-4: (Personal Leave — Paid)

Employees are encouraged to avoid absenteeism, and to schedule vacations, trips, and other personal activities at times which do not interrupt work schedules.

1. Each eligible licensed employee of the district shall be given at least three (3) days per year personal leave at no cost to the employee (See, Exhibit—TBD).
   1.1. Employees hired after a contract year has started shall receive personal leave benefits on a prorated basis for the remainder of that year.
   1.2. Employees who work a 196 or a 206-day contract will have days prorated according to the length of their contract. Employees who work a 242-day contract receive vacation leave in lieu of prorated personal leave.

### Clarification

* Employees may use Family Sick Leave to attend to their own health care needs or the health care needs of immediate family members.

^ Any unused Family Sick Leave will be converted to accrued Sick Leave at the end of each contract year.

^ Employees may use accrued Sick Leave to attend to their own health care needs OR the health care needs of immediate family members as allowed under Use of Sick Leave for Critical Family Care section five (5).

The number of leave days allocated to an employee is determined by the employee’s hire date and the number of days remaining in the contract. The use of leave is prorated based upon the employee’s FTE and the number of days the employee works in a given week, e.g.:

- Licensed employees (.5 to 1.0 FTE) working every day request 1.0 per absence
- Part-time SLPs (.75 FTE) working four days per week request 1.25 per absence
- Part-time educators (.5 FTE) working every other day request 2.0 per absence
- Part-time educators (.5 FTE) working every day request 1.0 per absence

Employees on 188 day contracts must take leave in .5 increments
Employees on 196, 206, or 242 day contracts may take leave in .125 increments
