### Policy—500.20—Student Clubs

#### Selected definitions and provisions:

1. "Curricular club": means a club for which:
  - a. the subject matter is taught or will soon be taught in a regular course;
  - b. the subject matter concerns the body of courses as a whole;
  - c. participation is required for a particular course; or
  - d. participation results in academic credit.
2. "Non-curricular club": a student initiated group that may be authorized and allowed school facilities use during non-instructional time in grades 9-12 by the school and governing board in accordance with this policy. A non-curricular club's meetings, ideas, and activities are not sponsored or endorsed in any way by a school governing board, the school, or by school or school district employees.
3. "Limited Open Forum": A forum created by the school district for student expression within the constraints of freedom of speech by students, provided the conduct does not unreasonably interfere with the ability of school to maintain order and discipline or violate concepts of civility or propriety appropriate to a school setting.
4. Participation: To participate in a school club, the student must be currently registered and enrolled at the school. Persons who are not either registered, enrolled students, or school personnel shall not be allowed access to clubs to direct, conduct, control, or regularly attend meetings. All guests must be registered with the school office.
5. Parental Consent: A school shall require written parental or guardian consent for student participation in all curricular and non-curricular clubs at school.

I am aware that my student will be participating in the \_\_\_\_\_ Club at \_\_\_\_\_ High School.
