

Search by medical services to find providers and costs using PEHP’s latest cost comparison tool. Plus, find cash back opportunities.

**To get started**

Log in to your PEHP account at [www.pehp.org](http://www.pehp.org). Next, click on the “Find a Provider and Costs” icon on the top right, then choose your network.

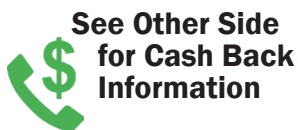

Under the “Find & Compare Costs” tab, you can search by medical services. You’ll see cost information for services based on past claims PEHP processed.

Your search results will display common services based on the treatment you entered to give you a better idea of total costs at different locations where the service has been performed.

# Find Cash Back Opportunities

PEHP offers cash back opportunities for certain medical services performed by low-cost providers. The amount of cashback can range from \$50 to \$2,000.

**Eligible services include:**

- » Colonoscopies
- » MRIs and CT scans
- » Some same-day surgeries
- » Some inpatient stays

## Why Offer Cash Back?

Healthcare costs vary based on where you receive services. PEHP pays you for using low-cost providers through a cash back program created by the Legislature. The cash back program is a form of shared savings to help keep overall healthcare costs down to help preserve your benefits. Cash back is only available if PEHP is your primary insurance.

## How is Cash Back Determined?

The amount eligible for cash back depends on the amount of savings available in your network for a specific service. Cash back can range between \$50 and \$2,000.

## How to Find & Apply for Cash Back Opportunities

### 1. Log in to Your PEHP Account

When you log in to your PEHP account at [www.pehp.org](http://www.pehp.org), click on the “Find a Provider and Costs” icon on the top right, then choose your network.

### 2. Search for Medical Services

Under the “Find & Compare Costs” tab, you can search by medical services. You’ll see cost information for services based on past claims PEHP processed. Your search results will display common services based on the treatment you entered to give you a better idea of total costs at different locations where the service has been performed. For each location, you’ll see a list of providers who have performed your desired treatment.

### 3. See Cash Back Opportunities & Apply

If cash back is available for the service, you’ll see a cash back indicator next to the location and provider name. To qualify for cash back, you must contact PEHP

Provider	Location	Common	Range
PROVIDER NAME <small>Costs based on 10 claims or fewer</small>	MULTIPLE	\$942	\$936 - \$948

at 801-366-7555 or through the secure Message Center **before** receiving services. A Health Benefits Advisor will help you determine where to go for the best value and tell you how much cash back you can expect to receive. When you call and apply, you’ll have 90 days to get the service done. Once PEHP has processed your claim, please allow up to 60 days to receive your cash back. Please note this is taxable income and FICA is withheld. All PEHP cash back incentives cannot exceed \$3,900 per calendar year.
