**FINDING BY CHIEF PROCUREMENT OFFICER
CANYONS SCHOOL DISTRICT**

Research has been conducted to find out if there are any additional suppliers that may sell Lexia Core5 Reading Student Subscriptions. Lexia Learning Systems provided a Sole Source Document to confirm that they are the developer, publisher and copyright holder for their programs.

In 2012 an Early Intervention Program was established to improve literacy in students in Utah. Lexia Core5 Reading was one of seven programs reviewed and approved by the Utah State Board of Education. In 2018-2019 Five programs were reviewed again and Lexia approved by USBE.

It is the finding of the Chief Procurement Officer that the supplier Lexia Learning Systems Inc. is the only source for the Lexia Core5 Reading Student Subscriptions. This finding will be effective for Canyons School District from April 1, 21 – April 1, 2025. The Purchasing Department will then review this finding and determine if any additional suppliers have entered the marketplace or if this will remain a sole source and extend the finding.

As Procurement Officer, I find that it is in the best interest of the District to have this finding on file in order to allow this purchase and future purchases to this supplier as required for the aforementioned term without obtaining two (2) quotes.
