**FINDING BY CHIEF PROCUREMENT OFFICER
CANYONS SCHOOL DISTRICT**

Research has been conducted to find out if there are additional suppliers that may provide Inchy the Bookworm Vending Machines. It is the finding of the Chief Procurement Officer that the supplier, Global Vending Group Inc. is the only source of supply of this product. This finding will be effective for Canyons School District from May 12, 2021 to May 12, 2024. The Purchasing department will then review this finding and determine if any additional suppliers have entered the marketplace or if this will remain a sole source and extend the finding.

As Chief Procurement Officer, I find that it is in the best interest of the District to have this finding on file in order to allow the high schools to purchase this service as required without obtaining three quotes.

A handwritten signature in blue ink that reads "N Webb for G.O.H." is written over a horizontal line.
