**FINDING BY CHIEF PROCUREMENT OFFICER
CANYONS SCHOOL DISTRICT**

Research has been conducted to find out if there are additional suppliers that provide PSAT testing in Utah. It is the finding of the Chief Procurement Officer that the supplier, College Board/PSAT is the only source of supply for this type of testing. This finding will be effective for Canyons School District from March 12, 2020 – March 12, 2025. The Purchasing department will then review this finding and determine if any additional suppliers have entered the marketplace or if this will remain a sole source and extend the finding.

As Chief Procurement Officer, I find that it is in the best interest of the District to have this finding on file in order to allow this purchase as required for the aforementioned term, without obtaining required competition.
