**FINDING BY THE CHIEF PROCUREMENT OFFICER
CANYONS SCHOOL DISTRICT**

Research conducted to determine if there are additional suppliers that may provide cheer replacement/additional uniforms to match existing uniforms, for Canyons School District High School cheer teams has been conducted. It is my findings as the Chief Procurement Officer that the supplier “Varsity Spirit Fashions” (State Contract AV2315) is the only source that can provide “matching” cheer uniforms, provided by Varsity in the past, and needed to match existing uniforms. This finding will be effective for Canyons School District from April 1, 2018 – March 31, 2021. The Purchasing Department will then review this finding and determine if any additional suppliers have entered the marketplace.

As Chief Procurement Officer, I find that this is in the best interest of the District to have this finding in place allowing our schools to purchase “additional” cheer uniforms as needed to match existing uniforms.

This finding does not extend to the purchase of all new uniforms.

Gary O. Hansen, C.P.M.
Chief Procurement Officer
