**FINDING BY CHIEF PROCUREMENT OFFICER  
CANYONS SCHOOL DISTRICT**

Research has been conducted to find out if there are any additional suppliers that may provide AP testing and other college entrance exams for Canyons School District High Schools. It is the finding of the Chief Procurement Officer that the supplier College Board is the only source of this product. This finding is effective for all Canyons School District High Schools from July 21, 2020, to July 21, 2023. The Purchasing Department will then review this finding and determine if any additional suppliers have entered the marketplace or if this will remain a sole source and extend the finding.

As Chief Procurement Officer, I find that it is in the best interest of the District to have this finding on file in order to allow the schools to purchase this equipment as required without obtaining two quotes.
