FIXED ASSET INVENTORY, TRACKING AND SURPLUS

Fixed Assets

Canyons School District uses a fixed asset inventory system to track and protect its property. This system ensures accountability for public funds and helps the District meet State requirements, safeguard assets, document losses (e.g., due to vandalism) and maintain detailed records in case of disasters. Fixed assets is also able to provide a report that calculates depreciation.

Key Guidelines:

- All *fixed assets* must be tagged and tracked by the school's Fixed Asset Coordinator or the District's Fixed Asset Coordinator annually.
- School/District-owned equipment is for official use only and may be taken off-site with supervisor approval for work-related purposes.
- Assets worth **over \$2,000** and items defined as "walkable" must be tracked.
 - A "walkable" is defined, but not limited to a piece of electronic equipment, or a musical instrument, costing between \$500-\$2,000 that can be easily removed from a building

Surplus Items

Public Surplus

Canyons School District uses PublicSurplus.com to auction surplus equipment as it becomes available. Visit www.publicsurplus.com and select "register" to bid on items. **Only** the Director of Purchasing or the Warehouse Supervisor is **authorized to sell or trade** District surplus property.

Equipment Disposal & Surplus

- All district property must be disposed of through official surplus procedures.
- Items may **not** be thrown away, destroyed or given away.
- When sending items to surplus, a [Surplus Form](#) must be completed and signed by both the Department Director/Principal and the Fixed Assets Department. Please include as much detail as possible about the item(s) being sent to surplus (e.g. working, broken, fair/poor condition, etc).
- All **art and musical instruments** must also be approved by JP Kentros and Jordan Orlandi before being sent to surplus.
