Professional Learning & Development Application

Professional Learning and Development should:

- *Reflect the Professional Development Standards related to content, process and context and the Utah Professional Standards for Teachers;*
- *Support the continuing development of professional learning communities;*
- *Be ongoing and aligned with educator's academic assignment (e.g. peer coaching, mentoring, classroom walk-through, teacher/staff collaboration);*
- *Focus on evidence-based instruction; and make on-going reflection on school/student data a part of professional learning.*

Outline your plan for the proposed professional learning activity. Specifically, describe how this plan is an extension beyond the scope of your current responsibilities.

How will this professional learning experience impact student achievement?

How will you demonstrate:

- Your learning and professional growth?

- Impact on student achievement?

What School or Departmental goals are being addressed with the proposed activity?

What support will you need from your current supervisor and/or the District?
