Brixology Ultimate

When: July 30 - Aug 2 from 1:00 to 4:00

Ages: 7 to 11

Cost: \$145

The projects in this section of LEGO® engineering are more challenging. We build on some of the same concepts covered in Brixology 1, but the in-class projects take a bit more focus. We will emphasize nautical, mechanical, structural, and automotive engineering, as well as going in depth in these areas. It is not necessary to take Brixology 1 to sign up for Brixology 2. Each camp is super fun and challenging, and you can take one or both!

Brixology Elemental

When: June 18-21 from 9:00 to 12:00

Ages: 5 to 11

Cost: \$145

Have you ever seen something we use in everyday life and thought, "That could be so much better if...?" Well, join us in this LEGO® engineering camp and do what you've always dreamed about doing—fixing the world! Be an engineer—build and solve problems. We will explore aerospace, civil, and mechanical engineering as well as biomimicry
