**FINDING BY CHIEF PROCUREMENT OFFICER
CANYONS SCHOOL DISTRICT**

Research has been conducted to find out if there are additional suppliers that sponsor the HOSA (Future Health Professionals) competition in Utah. It is the finding of the Chief Procurement Officer that the supplier, that HOSA is the only source of supply for this type of service. This finding will be effective for Canyons School District from March 25, 2019 – March 25, 2024. The Purchasing department will then review this finding and determine if any additional suppliers have entered the marketplace or if this will remain a sole source and extend the finding.

As Chief Procurement Officer, I find that it is in the best interest of the District to have this finding on file in order to allow the high schools to purchase this service as required without obtaining three quotes.
