**FINDING BY CHIEF PROCUREMENT OFFICER
CANYONS SCHOOL DISTRICT**

Research has been conducted to find out if there are any additional suppliers that may provide a robotics competition for high school students. It is the finding of the Chief Procurement Officer that the supplier "First Robotics" is the only source of this service. This finding will be effective for Canyons School District from December 3, 2018 to December 2, 2022. The Purchasing Department will then review this finding and determine if any additional suppliers have entered the marketplace or if this will remain a sole source and extend the finding.

As Chief Procurement Officer, I find that it is in the best interest of the District to have this finding on file in order to allow the schools to register for this competition as required without obtaining three quotes.

For Gary O. Hansen
Chief Procurement Officer
