

Custodial/Grounds Mission Statement

In the Custodial/Grounds Department we strive for simplicity, valuing competence and a job done right. Foremost, we take pride in our work and in our buildings that have been entrusted to our care.

Belief Statements

We Believe...

...our three primary responsibilities are to provide a safe, clean, well-maintained environment for all who use our facilities.

We Believe...

...in cleaning for health first and then for appearance.

We Believe...

...in a systematic cleaning approach.

We Believe...

...in high-performance cleaning and verify the results with quantitative methods.

We Believe...

...in the Cleaning Industry Management Standard (CIMS) and fully comply with their standards.

We Believe...

...in using chemicals and processes that are respectful to the environment.

We Believe...

...in Integrated Pest Management and fully comply with IPM standards.

We Believe...

...in utilizing Canyons School District's assets and budgets in a professional and ethical manner.

We Believe...

...the Canyons Custodial Education Program (CCEP) provides an excellent training resource for our custodians.

We Believe...

...custodians are a vital part of the education system.

We believe...

...all custodians should be treated with dignity and respect.

We Believe...

...in providing a service worthy of recognition.
