- In collaboration with the district and the School Community Council, seek and obtain external funding through grants, business partnerships, and other appropriate sources to strengthen programs and activities for students.
- Must be familiar with Professional Learning Communities and Response to Intervention practices
- Serves as the school's instructional leader, providing leadership and direction to staff and community to improve student achievement outcomes, by:
 - Staying current with evidence-based developments in curriculum and instruction;
 - Implementing, in coordination with staff, effective Response-to-Intervention (RtI) strategies to address student academic and behavioral weaknesses to determine students' needs;
 - Supervising and evaluating teachers and staff to ensure effective instruction and implementation of Utah High School Core and Common Core State standards;
 - Working effectively with District personnel to implement District, State and Federal programs and initiatives.
 - Implementing the District's student assessment and progress monitoring system with fidelity.
 - Establishing and accomplishing short- and long-term student achievement goals for the school as a whole.
- Provides, in collaboration with, and under the direction of, the Office of Evidence-Based Learning, effective professional development to faculty and staff.
- Cultivates a positive, collaborative environment of excitement, energy, enthusiasm, and hope for students, parents, and staff.
- Embraces and provides for meaningful parent involvement at the school by adhering to all laws and District directives regarding the School Community Council, establishing positive relationships with the school PTA, and meeting with parents individually or collectively as needed to address concerns.

- Is visible and accessible to students, staff, parents, and community members.
- Provides leadership in collaboration with parents and Cities to ensure students' safe passage to school, a safe environment at school, and a safe climate at all school-sponsored activities.
- Collaborates with the District and with outside agencies such as Cities, nonprofit groups and community organizations to provide outstanding customer service.
- Manages the development, implementation, and evaluation of programs to maintain appropriate student behavior and discipline.
- Provides annual training to all faculty and staff regarding state law and District policy in all related areas, including hazing and bullying.
- Successfully manages budgets and allocates resources to provide fiscal accountability for all aspects of the school's operation including reaching school goals.
- In collaboration with the Educational Technology and Academic Offices, articulates a school vision and strategies for integrating current and future educational technology to ensure its use in delivering core curriculum in innovative and effective ways.
- Works closely with the District Supervisor and facilities to address current and future facilities needs.
- Provides appropriate support, encouragement, and guidance to educational support staff such as administrative assistants, cafeteria workers, custodial staff, and instructional assistants.
- Works closely with the District's Office of Public Communications to promote student and faculty achievements and respond to media requests as needed.
- Works closely with the District's Office of Public Communications and Department of Information Technology to establish, manage, and promote the school's Web site, Twitter account, and Facebook page.
- Establishes and enforces an environment where all students, parents, and employees are welcomed and free from discrimination on the basis of race, ethnicity, sex, religion, disability, pregnancy, and sexual orientation.
