

Job Title: **Shop Foreman - Transportation**

Department: **Transportation**

Supervisor: **Director of Transportation**

Lane Placement: **ESP Lane 12**

Schedule: **8 hrs / 242 days** Evaluation Group: **JCES 12**

FLSA Classification: **Non - Exempt**

JOB DESCRIPTION

Under the supervision of the Director of Transportation, the Shop Foreman organizes and coordinates the activities of the Jordan District Transportation shop and is primarily responsible for the timeliness and quality of shop performance. Incumbent schedules work, checks on quality and completion, and evaluates performance.

ESSENTIAL FUNCTIONS

- Has overall lead responsibility for high quality and timely repair and maintenance of District vehicles (e.g. Administration vehicles, buses, maintenance trucks and cars, driver education cars).
- Directs the activities of shop personnel (e.g. prioritizes, schedules and assigns mechanics and other shop personnel to their daily work).
- Reviews and evaluates completed work.
- Follows up on problems reported by drivers.
- Diagnoses mechanical problems and assists mechanics in resolving them.
- Responsible for ensuring that training of all shop personnel occurs in an orderly and consistent manner and seeing that appropriate standards of performances are designed, achieved and maintained. Evaluates the performance of shop personnel in relation to these standards.
- Assists director in developing, implementing and maintaining a District preventive maintenance program including necessary records (e.g. brake adjustments, inspections, tire changes, and other parts when they have served the specified number of hours and/or miles).
- Sees that buses used for field trips or as substitutes to regular buses are inspected regularly and are ready for use.
- Oversees and participates in specialized trade work. This may include complex or overflow work that mechanics are unable to perform (e.g. MIG welding, ARC welding, and oxygen acetylene welding).
- Acts as an expert resource for other shop personnel.
- Responsible to develop and manage a shop safety program.
- Assists the director in a yearly evaluation of all shop personnel (e.g. lead mechanic, mechanics, and trainees).
- Assesses capabilities and weaknesses of shop personnel and sees that adequate and appropriate training is provided.
- Resolves personnel problems (e.g. retention, employment, discipline, evaluation, promotion, and counseling).
- Within District policy, sets work standards and formulate work rules and procedures.
- Solves problems and makes decisions concerning repairs to be made, parts to be replaced and preventive maintenance work to be done. Makes recommendations to director on major items to repair or replace.

standards.

- Recommends the specification of parts or services to the warehouse/buyer for procurement.
- Makes recommendations about materials, supplies and equipment as it relates to vehicle repair and safe operations.
- Acts as tutor/trainer for shop personnel.
- On-call for emergencies 24 hours a day. Some of these may be “on-the-road” and after hours.
- Predictable and reliable attendance.

During times of state or district emergency, all employees may be required to perform additional duties that are not required on a normal basis in support of educational and operational priorities. e.g. Performs general cleaning and sanitizing of work areas, provides remote assistance to students and staff, and any other reasonable duty as needed.

NON-ESSENTIAL FUNCTIONS

- Other duties as assigned.
