

# CHARITABLE GIVING

campaign

United Way of Salt Lake

*serving Davis, Salt Lake, Summit, and Tooele Counties*

**This year Community Health Charities Utah, United Way of Salt Lake and Community Shares/Utah, are teaming up to help Utahns in need.**

## AN OVERVIEW OF OUR CAMPAIGN

Each year we have the opportunity to improve the lives of individuals and families within our city, county, and state by supporting our organization's charitable giving campaign.

Please take a moment to review these materials and consider how your contribution can make a difference. Together we can be of service to so many of our neighbors who look to us for help and who depend on our generosity.

Please send your completed pledge forms to your payroll office.

Thank you,

**Community Health Charities Utah  
United Way of Salt Lake  
Community Shares/Utah**

## HOW CAN I CONTRIBUTE?

A pledge form is included with your materials. You may choose from the following options:

**Payroll Deduction Contribution** – Fill out your pledge form and authorize payroll deduction with your signature. Deductions in the amount that you specify will begin the first pay period in January 2012.

**Credit Card Payment Contribution** – Fill out your pledge form and authorize billing to your credit card with your signature. The one time amount you specify will be billed to your credit card.

**Direct Contribution** – Fill out your pledge form. Make check or money order payable to the organization (Community Health Charities Utah, United Way of Salt Lake and Community Shares/Utah). Cash donations are also accepted.

## WHICH ORGANIZATIONS CAN I SUPPORT?

Community Health Charities Utah's mission is to improve the lives of people affected by a disability or chronic disease by uniting caring donors in the workplace with our nation's most trusted health charities. **Pages 4-5.**

**United Way of Salt Lake**

United Way of Salt Lake works to improve lives and build strong communities by uniting individuals and organizations with the passion, expertise, and resources needed to solve problems. Our focus is on education, income, and health—the building blocks for a good quality of life. The foundation of our work is supporting basic needs for people in crisis or with chronic conditions. Join the conversation by visiting our blog at [www.uwslhub.org](http://www.uwslhub.org) or find out more at [www.uw.org](http://www.uw.org).

**Pages 6-11.**

Community Shares/Utah's goal is to help people, animals, and environmental issues through member groups working together. **Pages 12-13.**

Each new day is another opportunity to give a smile, a hug, and hope. At Community Health Charities Utah, we are inspired by the missions of people facing serious health challenges who never give up the hope of finding a cure, or allow their disability to overwhelm them, or let their disease take away their love for life. They constantly remind us of how important health is and encourage us to touch the lives of many others just like them.

## United Way of Salt Lake

*serving Davis, Salt Lake, Summit, and Tooele Counties*

United Way of Salt Lake envisions a community where all individuals and families achieve their potential through education, income stability, and healthy lives. UWSL improves lives and builds strong communities in Davis, Salt Lake, Summit, and Tooele counties. Partnerships in 8 neighborhoods provide programs and services that are coordinated in 20 easily accessible neighborhood center locations (schools, community centers, apartment complexes, etc.). United Way Neighborhood Centers create a web of support for the entire family. At these centers, children and their parents can easily access programs and services to promote learning and development, gain resources to become financially self-sufficient, and meet health care needs. In addition, UWSL continues to support people's most basic needs of food, shelter, health, and safety. By uniting programs across all three building blocks for a good quality of life—education, income, and health—United Way of Salt Lake is taking action that makes a real difference today, while creating long-term routes to measureable success.
