My VidCruiter interview is complete, what's next?

You are now a part of the Canyons School District School Psychologist Candidate Pool:

- Your profile is in our candidate pool for one recruiting season.
 - After November 1st, 2021, you will need to apply and interview again for the 2022-23 year.

How does the next round of interview work for School Psychologists?

- The Responsive Services department may contact you to complete a second round interview. This may happen in person or via technology interface, e.g. Skype, FaceTime, and Google Hangouts.
- If you are offered a position with Canyons School District, the Responsive Services department will assign to a location.

All open positions will be posted at <https://jobs.canyonsdistrict.org/hr/home.cfm>:

- Interviewing for positions typically begins in January and can continue through the spring and summer months.
 - Make sure you have given contact information that you check frequently (personal emails are better than school or work emails in case they are disconnected.)
 - If our emails have been going to your junk/SPAM folder, make sure they have been moved to your main inbox so they do not continue to end up in SPAM.
