

My VidCruiter interview is complete, what's next?

Congratulations, you are now a part of the School Social Worker Candidate Pool:

- Your profile is in our candidate pool for one recruiting season.
 - After November 1st, 2021, you will need to apply and interview again for the 2022-23 year.

How does the next round of interview work for School Social Workers?

- The Responsive Services department may contact you to complete a second round interview. This may happen in person or via technology interface, e.g. Skype, FaceTime, and Google Hangouts.

You will not need to apply again for specific positions posted in the same year:

- School Social Workers are hired through the Responsive Services Department and then assigned to schools.
 - In some circumstances you may be asked back for an interview with the school-based team to help determine placement at a school.

All open positions will be posted at <https://jobs.canyonsdistrict.org/hr/home.cfm>:

- Interviewing for positions typically begins in January and can continue through the spring and summer months.
 - Make sure you have given contact information that you check frequently (personal emails are better than school or work emails in case they are disconnected.)
 - If our emails have been going to your junk/SPAM folder, make sure they have been moved to your main inbox so they do not continue to end up in SPAM.
