- Select 'Summer Camps'
- Select the Summer Camp of Interest
- Select 'Click Here' to Register
- Create an Account
(or login to an existing account) & Pay

Please Note: Our policy does not allow parents to observe any summer camps.

**If you have questions about any of the summer camps,
please contact individual providers directly!**

Summer Camps canceled more than 72 hours after registering will incur a fee of \$25 per camp and student.
To receive a refund, you will need to request a refund 24 hours before the camps begin.

Camps are offered in partnership with Canyons School District Community Education.

To register in person, please contact:

Canyons School District Community Education | Cheri Prince

cheri.prince@canyonsdistrict.org

Let's GLOW!

Age: 6-12

Bring out your inner GLOW as we explore glow in the dark art. We will incorporate fluorescent paint and black lights. We will create projects with animals, cartoons, and street art ... The artistic possibilities are endless. Campers will also design wearable art for our end of the week neon party! This camp is guaranteed to illuminate your child's summer!

The Miniature World of Fairies, Gnomes & Creatures

Age: 6-12

Bring your creativity, unleash your imagination, wish on some fairy dust and make lots of friends! What enchanting creatures lay in the woods waiting to be discovered? We will create a fairy world incorporating sculpture, using natural materials, painting and collage. We will add glitter and beads to create a mystical garden work of art. Join Art Haven as we discover, explore, imagine and design our miniature fairy worlds!

Silly with Seuss

Age: 4-7

A fun filled week of art, games, and rhyme. Join us for a guaranteed good time! Art Haven will celebrate Cats in Hats, Green Eggs and Ham, Thing One, Thing Two, it's all about YOU! If you love to paint, draw, sculpt and design, this camp's the ticket, it's one of a kind!

Spy Kids - Operation Stolen Masterpiece

Age: 6-12

Want to be a spy? Spend a week designing secret art projects and using your creative detective skills to solve a case. Campers will experience top secret briefings each day and will us their special spy skills for undercover ART training missions throughout the week. We will be decoding secret messages, solving puzzles, and gathering clues. Hurry, time is running out! We need to make sure that this masterpiece doesn't ESCAPE forever.

All materials included! Dress for mess, creativity and fun!

Girls on the Run Utah

"Empowering Girls from Start to Finish"

Ivy Denihan | Program Director | O: 801.477.0464 | C: 419.296.3775 | www.girlsontherunutah.org

Class Name	Week	Times	Cost	#Sessions	Location	Max #	Min #
Girls Have Power	June 21-24	9:00 AM - Noon, 1:00 - 4:00 PM	\$190	4	Field	30	10
Girls Have Heart	July 12-15 AND July 19-22	9:00 AM - Noon	\$190	8	Field	30	10

Camp GOTR combines the best of Girls on the Run with all the fun of camp! Girls will build friendships in a fun and inclusive setting that includes interactive games, being physically active, and expressing creativity through different outlets such as creating collages and storytelling. Camp GOTR will provide a one-of-a-kind opportunity for girls to develop self-confidence and learn life skills they can use now and as they grow! Girls will receive: A camp t-shirt, water bottle, cinch bag, camp bracelet, and snacks each day!

Girls on the Run will be offering two curriculums: **Girls Have Power** (June 21-24, 9 AM-4 PM, Monday thru Thursday) which focuses on emotions and **Girls Have Heart** (July 12-22, 9 AM - 12 PM, Monday thru Thursday, Two Weeks) which focuses on friendship.

Girls have Power: During this dynamic session, girls will learn about the power they possess to recognize emotions in themselves and others, and now to express their feelings through fun and interactive activities such as "Emotion Detective", building workshops, creative skits, and more!

Girls have Heart: Throughout the weeks, girls will have fun exploring friendships with activities designed to discover what makes a good friend and how to be a good friend to others. Girls will build, create, write, discuss, connect, and laugh all while participating in games and activities that will leave them feeling confidence and appreciated by their teammates.

Learn the basic fundamentals and train with coaches from Club GSL, the largest volleyball club in the Salt Lake area! Whether you are already on a volleyball team and looking to improve your game, or just interested in trying a fast-paced exciting sport and making new friends, this camp will provide that! We will teach the basics, play fun games and train physically in ways that will help kids across any sports they may play! Come be a part of the volleyball community we all love! Ages: 6-4 YRS, \$129

Club GSL Summer Volleyball Program at Eastmont Elementary

Building/Robotics Ages 6-8

Come and build with us during our exciting robotics camp! Students will build, program and interact using the LEGO® WeDo 2.0 Construction set and thousands of various bricks! We will work together to accomplish each task using creativity and critical thinking in a fun and engaging way. \$139.00

Building/Robotics Ages 9-14

Join us on a space mission during our fun course! We will focus on creativity and engineering fundamentals as students work with LEGO® Mindstorms EV3 and the Space Challenge set. As teams work to accomplish each task, creativity will soar and students will utilize critical thinking to complete each mission! \$139.00

In order to keep our students and instructors safe, masks will be worn at all times during camp!

801.633.8499 | utahdanceworks@yahoo.com

Our programs are designed with the goal of teaching all levels of soccer to all participants!

We know practice makes perfect so our SOCCER I.Q. program can offer your child the opportunity for practicing more specific touches on the ball!

- Learn how to dribble, pass and shoot with our coaches focusing on each subject, while having fun in a no-pressure environment.
- Learn how to combine dribbling, passing and shooting together in game play situations.
- Learn how to apply dribbling, passing and shooting in a specific position on the field.

We will monitor your players progress based on their individual growth throughout the program!

GRADES K-5: This camp is for ages 5 to 11 and focuses on tennis skills, coordination, balance, agility, and fitness. The coaches from the Salt Lake Tennis & Health Club working with your child specialize in teaching youth 11 and under. We use a red ball (bigger and slower than a regular tennis ball) and smaller nets to help young players enjoy success as they learn. The first few days of camp we focus on basic strokes, exercises and drills that will improve tennis skills. We always play fun games that encourage a love for tennis. The more advanced will compete and be given additional opportunities to compete off-site.

GRADES 6-9: This camp is for grades 5 to 9 and focuses on tennis skills, coordination, balance, agility, and fitness. We use an orange ball (slower than a regular tennis ball) and smaller nets to help young players enjoy success as they learn. All aspects of the game will be covered from scoring to serving, conditioning to mental toughness, and all the strokes needed to enjoy the game. We'll play fun games that encourage a love for tennis. The more advanced will compete and be given additional opportunities to compete off-site. The class is led by a certified tennis professional and director from the Salt Lake Tennis & Health Club.

Karl Ward - 801.368.6048

If you have older children you'd like to involve in a similar program we suggest reaching out to Karl Ward at 801-368-6048.

Electromagnetic Engineer

6/21 - 6/24 - 9AM-12PM (Ages 8-10)

Building contraptions with the power of magnetic fields! We'll also learn about Newton's Cradle and the physics behind it, including Newton's laws. Learn about the exciting science behind electromagnets and what it looks like in the real world!

Aerospace Engineer

6/21-6/24 - 1PM-4PM (Ages 11-14)

Learn all about rockets and kinematics! Dive into the basics of gravity, acceleration, velocity, time, and distance. Learn more about the fascinating evaporation and cooling that you may witness every day!

Young Sherlock

7/12-7/15 - 9AM-12PM (Ages 8-10)

Solving mysteries with the basics of forensic science! Go to different stations to collect evidence baggies and solve exciting mysteries! Learn about the different applications of chemistry and forensics at each station!

Saltwater Scientist

7/12-7/15: 1PM-4PM (Ages 11-14)

Learning all about flow dynamics and how they work! We'll dive into the fascinating salt oscillator experiment that will let you amaze your friends about the basics of flow dynamics! What happens during an oil spill? You'll be able to find out what the best (and worst) ways are to clean up oil spills!

Light Benders

7/19-7/22: 9AM-12PM (Ages 8-10)

All about the basics of light refraction with a focus on density applications! We'll have an exciting rainbow experiment about the density and viscosity of various liquids and take home your layered rainbows. We'll also introduce you to the world of circuitry with learning about conductivity in pipe-cleaner circuits.

DIY DNA

7/19-7/22: 1PM-4PM (Ages 11-14)

Extracting DNA from fruit while mastering the basics of genes! Learn about DNA and its processes while extracting DNA from fruit. We'll also go into light refraction and other advanced topics of light that may explain cool occurrences in real life. We'll also go into acids and osmosis where you can see osmosis happening at a large scale to understand what happens at a cellular level.
