

Teacher Transfer Request FAQ and Instructions

Teacher Transfers FAQ

The “**Teacher Transfer Window**” will open no later than **March 15, 2022**. Transfer requests during the first 30 days of job openings will be open for **three** working days (tentatively March 15-April 13, 2021). After the first 30 days, then transfer requests will be “open till filled” but schools will not be required to interview that apply. Transfer requests will be accepted until ten working days (**July 15, 2022**) prior to New Teacher Orientation and the postings will be open to transfers until the position is filled.

How do I apply to transfer?

Teachers applying for **advertised** positions must complete a Licensed Transfer Request online at www.canyonsdistrict.org. You will choose ‘Resources’- ‘Job Seekers’- ‘Licensed & Administrators’, login with your username and password (same as your email account), then click on ‘Read More’ on the job that you want to apply for. The link to the transfer application is at the bottom of the posting. You must have your application submitted no later than 4:00 p.m. on the day the position closes.

If you have issues with the application not going through and the application window is still open please contact the IT Help Desk at 801-826-5544.

NOTE: Attaching a current resume is highly recommended and can affect whether you receive an interview.

Who receives my transfer request?

The Licensed Transfer Request, once submitted, will be sent electronically to the principal of the requested school, to your current principal notifying them of your request and to the Department of Human Resources.

How do I know if the principal received my transfer request?

You will be able to view online all the positions for which you have applied. If you have concerns contact Human Resources.

Am I guaranteed an interview?

During the “Teacher Transfer Window” the principal is required to interview a minimum of two qualified transfer candidates, if available.

Can I apply for more than one open position?

Yes. After a teacher has submitted their initial Licensed Transfer Request, the information will be saved in the system and can be submitted to future open positions.

When I submit a transfer request, do I lose the teaching position at my school?

No - your teaching position is not declared vacant until you accept a transfer or you resign from Canyons School District.

I want to transfer, but I’m afraid my principal will be angry.

A principal doesn’t expect you to stay at the same school forever. Be honest with your principal and let him/her know that you’d like a change. It is good to make changes periodically.

What should I do if I have been interviewed for a position and have not been notified if I have been selected? Should I continue to apply for other advertised positions?

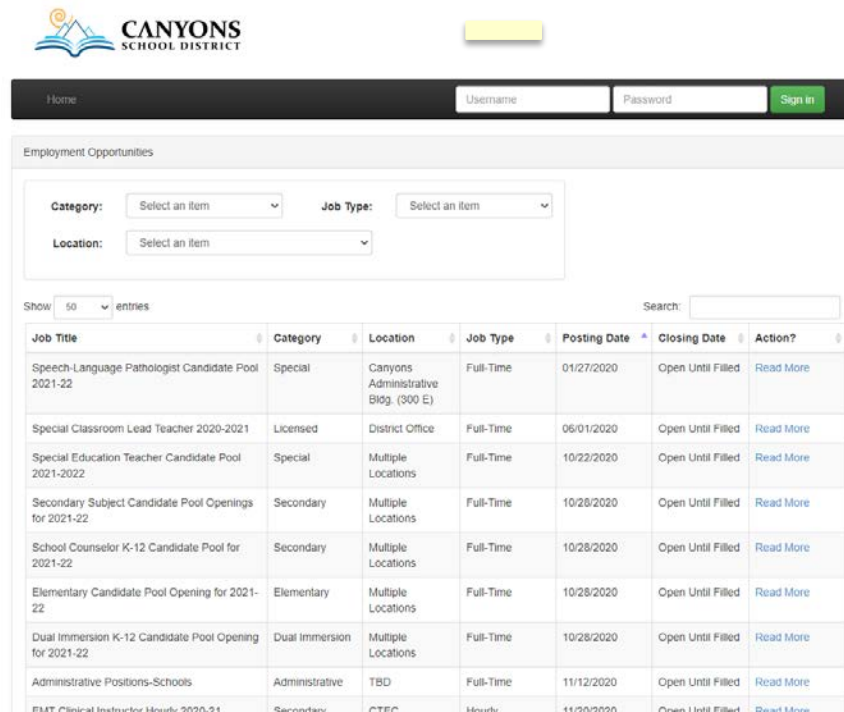

After a principal has reached a decision and the teacher who was selected has accepted the position, other interviewees will be notified by the principal. As positions are closed they will be deleted from the web site. Continue to apply until you have accepted a transfer position or you decide to stay in your current position.

How do I know if I received the position?

After receiving authorization from the Department of Human Resources, the Principal may extend a verbal offer to the candidate.

The instructions below will guide you through the transfer process.

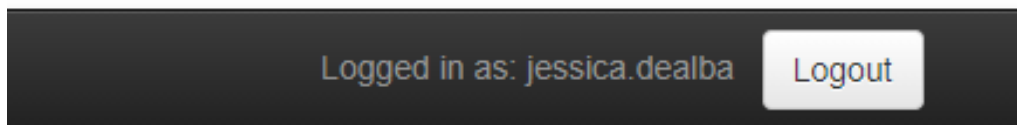

1. Go to <https://jobs.canyonsdistrict.org/hr/home.cfm> to view all open positions.
