Beginning Crochet for Kids

(Ages 8-14)

Learn the creative art of crochet during your summer break! This beginning crochet class teaches the basics of crochet, from holding a hook, to learning the chain stitch, single crochet stitch, and double crochet stitch. Students will be able to practice these stitches by creating fun and simple projects.

*Please pay the instructor a \$2.00 material fee.

Materials to bring to class each day include: 1 skein of medium weight yarn, a size H-8 (5.0mm) crochet hook, scissors, a tapestry needle, and a folder to put handouts in.

Bellucci Basketball Academy – Summer Basketball Camp

(Ages 5-12)

Bellucci Basketball Academy is thrilled to have you join us for our Summer Basketball Camp! Our camp is designed to provide young basketball enthusiasts with a unique and unforgettable experience filled with skill development, team building, and lots of fun. Here is a glimpse into what our camp has to offer:

Skill Development: Our BBA-certified and passionate coaching staff is dedicated to helping campers improve their basketball skills. Whether your child is a beginner looking to learn the fundamentals or an advanced player aiming to enhance their game, our coaches provide personalized guidance in areas such as shooting, dribbling, passing, defense, and teamwork.

Daily Schedule: Campers can expect a well-balanced schedule that includes a mix of skill---focused drills, team-building activities, and friendly scrimmages. We believe in creating a holistic experience that not only improves basketball skills, but also fosters personal growth and teamwork.

Specialized Clinics: Throughout the camp, we offer specialized clinics focusing on specific aspects of the game to help players improve. We will have our coaches and former players share their insights and give certain tips and tricks to help our players on their journey as basketball players. These specialized clinics provide campers with a unique opportunity to learn from professionals and gain a deeper understanding of various basketball techniques that will set them up for future success on the court.

Fun and Recreation: While skill development is a key focus, we also understand the importance of having fun. Our camp includes exciting games, contests, and team-building activities that create a positive and enjoyable atmosphere for all participants.

For questions regarding the Bellucci Basketball Academy camps, please contact Ben Bellucci at 315.278.3775 or ben@bba315.com

2025 SUMMER CAMPS

For questions regarding the Mad Science camps below, please contact:
Laurie N. Larsen | 801.292.8646 (O) | 801.916.5832 (C) laurie@madscienceslc.com

Mad Science – Rockin' Rockets & Radical Robots

(Ages 5-12)

Building a model rocket AND a solar-powered robot in the same week!? It's like a kid's dream come true! We learn about Newton's laws of motion, the forces of nature, calculation of thrust and altitude. Simple programming, the different movements of robots, and basic circuitry round out this knowledge-and fun-packed camp!

#1231...Mo, Tu, We, Th... 1:00-4:00 PM...6/9/25-6/12/25...
Glacier Hills Elementary...4 Sessions...\$225

Mad Science – Brixology

(Ages 5-12)

Using the engineering design process, the children will use Legos to build boats, rides, elevators, creatures, space stations, machines, bridges, and vehicles. Then, they will modify their project to make improvements.

#1230...Glacier Hills Elementary... Mo, Tu, We, Th...
9:00 AM-12:00 PM...6/9/25-6/12/25... 4 Sessions
...\$225

Mad Science – Eureka!

(Ages 5-12)

Children overcome a series of challenges using basic materials, simple machines, tips from famous inventors, and, most importantly, their minds. They create catapults and forts with a bit of ingenuity, construct working light sticks, and assemble a set of circuits with batteries and light bulbs.

#1235...Mo, Tu, We, Th... 1:00-4:00 PM ... 7/14/25-
7/17/25...Glacier Hills Elementary...

Mad Science – Crazy Chemworks

(Ages 5-12)

QUICK! When you think of a Mad Scientist, what pops into mind? A chemist, of course! Mix chemicals, make slime, examine reactions, and travel up and down the pH scale. Your take-homes in this camp will help you as you start building your home lab!

#1234...Mo, Tu, We, Th...9:00 AM-12:00 PM... 7/14/25-
7/17/25...Glacier Hills Elementary...4 Sessions ...\$225

Mad Science – Underground Explore

(Ages 5-12)

Kids learn about archaeology and the techniques scientists use to excavate long-lost cities! They discover ancient civilizations and the tools and artifacts they use in everyday life! They also study bone fragments, pottery shards, amber deposits, and fossils. Each camp class also includes a make-and-take-home project, like a fossil reproduction, an amber time capsule, and coins from around the world!

#1233...Mo, Tu, We, Th... 1:00-4:00 PM...7/7/25-7/10/25

2025 SUMMER CAMPS

Magic Camp (Ages 9-13)

Do you want a solid foundation learning and performing serious magic effects? This camp will teach all the basics you need to start performing for friends, school, and family. These are not your typical magic set tricks. You will learn actual routines and techniques, many of which are performed regularly on stage and TV. You'll learn how to cut and restore string, make a rope penetrate through your body, have things appear and disappear, read minds, predict your spectators' choices, transform one item to a different item, defy gravity, add columns of random numbers twice as fast as your teachers (and parents), and so much more! Rick Kercher has been performing and teaching magic for over 45 years and knows how to create a fun magic learning experience.

Please note that there is an additional material fee of \$15.00 paid directly to the instructor for the supplied props you will get to keep.

Scales & Tails Utah – Reptile Zoology Camp

(Ages 5-12)

3-hour camp, four days (M-Th)

Every camp will include between 4-6 live reptiles, typically a variety of snakes, lizards, tortoises and on occasion a crocodilian. We will do animal handling with each camp with SOME of the animals. Some animals we bring may be for demonstration purposes only. We will do a mix of class lesson type learning along with a variety of simulation activities with regard to Habitats, Diets, Hunting & Defense Mechanisms, and Communication. Each camp will include a 15-20 minute break where campers are allowed to enjoy a snack from home and some play time.

Parents must provide a nuts free snacks.

We may be outside for some activities so we recommend wearing sunscreen and/or bring a hat.

For questions regarding this camp, please contact: rindy@scalesandtails.com

PowerChess | Walker@power-chess.com | 602.989.5228

PowerChess Tournament/Intermediate Chess

(Ages 6-12)

PowerChess's Summer Camps are an excellent opportunity for students of all ages to improve their critical thinking skills and keep their minds engaged over the summer break. In the PowerChess Tournament Chess Summer Camps, students will advance their chess knowledge and experience through presentations and hands-on application of new opening positions and tactical ideas, tournament-length gameplay, game analysis, and, yes, students will have the opportunity to play against each other in a BLITZ tournament! PowerChess Tournament Chess Summer Camp is geared towards students who have, at a minimum, an understanding of chess piece movement, basic mating patterns, and a LOVE for everything chess. Students will continue to grow in their mastery of chess and build upon these ideas and skills in a positive, supportive learning environment.

PowerChess Summer Camps include the following activities:

- Chess instruction: Tactical patterns, checkmating patterns, middle games ideas, and much more from trained PowerChess Coaches
- Tournament-length chess games
- Goal setting
- Blitz games
- How to improve chess study habits
- Practice playing positions against other students
- Puzzle-solving contests

Camp size is limited to 18 participants.

PowerUp/Introductory Chess

(Ages 6-12)

PowerChess's Summer Camps are an excellent opportunity for students of all ages to improve their critical thinking skills and keep their minds engaged over the summer break. The PowerUp Summer Camp is designed to help students learn the FUNdamentals of chess including basic piece movement, checkmating patterns, and other foundational principles of the game in a dynamic and engaging environment. Some of the documented benefits of chess instruction are improved critical thinking skills, increased math and verbal test scores, and a myriad of varied life skills. This program is a perfect fit for any student who wants to PowerUp their mind over summer break while having FUN and learning the basics of chess!

Students can expect to spend the first part of camp becoming proficient in piece movement and other foundational game principles. Once mastered, students will learn basic checkmating patterns, chess opening ideas, and play in tournament-style chess games. By the end of the camp Parents WATCH OUT, they will have gained the skills to BEAT YOU :)

PowerChess Summer Camps include the following activities:

Chess instruction on foundational principles of the game, tactical patterns, checkmating patterns, middlegame ideas, and much more from trained PowerChess Coaches, such as:

- Goal setting
- How to improve chess study habits
- Practice playing positions against other students
- Puzzle-solving contests

Full Length Chess Games camp size is limited to 18 participants.

2025 SUMMER CAMPS

Soccer Stars Summer Camps (Ages 5-11)

Get ready for some fun in the sun with Soccer Stars! Soccer Stars Fundamentals Camp for ages 5-11 focuses on different themes each day including mastery of ball (dribbling), group possession (passing), individual possession (dribbling), receiving and ball control, and shooting and finishing.

Soccer Stars coaches focus on building self confidence, socialization, and gross motor skills. Our daily camps begin with a warm up and obstacle course/relay and transitions over to multiple skill-building exercise drills that focus on the theme of the day and finally finishing the day with 1v1s, 2v2s, and 4v4s going to goal. We can work with kids of all skill levels.

Please bring water, tennis shoes and we will provide all of the equipment. No cleats please, they will be in the gym.

For questions, please contact: Soccer Stars of Greater Sandy Utah - 801-695-9078 or greaterandy@soccerstars.com

Tennis Fundamentals for Youth (Ages 5-11)

This camp is for ages 5 to 11 and focuses on tennis skills, coordination, balance, agility, and fitness. The coaches from the Salt Lake Tennis & Health Club working with your child specialize in teaching youth 11 and under. We use a red ball (bigger and slower than a regular tennis ball) and smaller nets to help young players enjoy success as they learn. The first few days of camp we focus on basic strokes, exercises and drills that will improve tennis skills. We always play fun games that encourage a love for tennis. The more advanced will compete and be given additional opportunities to compete off-site. If you have older children you'd like to involve in a similar program we suggest reaching out to Karl Ward at the Salt Lake Tennis & Health Club.
